**Note for Parent/Instructor:** Please be advised that this form can be used for all levels of guitar and bass guitar. Depending on the level, there may be blank spaces. Some levels only require one title in each section, so that would leave blank spaces. The student's Instructor is supposed to fill this form out based on the syllabus and give to the student's parent.

**Note for Examiner:** Please refer to Arcadia Academy of Music's syllabus for oral theory tests, ear training, and sight reading, chords & scales.
